SIR,

In forwarding herewith copy of letter No. C.2-3982/31-32 dated 5th May 1932 from the Deputy Commissioner, Bangalore District, in the matter of levy of Optional Tax in the Varthur Village Panchayet, Bangalore Taluk, I have the honor to state as follows.-

2. The Varthur Village Panchayet has decided to instal electric lights in the village, for street lighting, at a cost of Rs 333/- per annum. With a view to ensure adequate funds for this expenditure, the Village Panchayet has also resolved to levy optional tax, as noted in the margin, under Section 37 of the Village Panchayet

Letter No. C.2-3982/31-32 dated 5th May 1932 from
the Deputy Commissioner, Bangalore District, to the Revenue
Commissioner in Mysore.

I have the honor to state that the question of
electrification of Varthur village has been pending for a long time,
owing to the inability of the Panchayet to furnish the necessary
guarantee which works out as follows.-

5% net return on the capital cost.	180/-
Depreciation charges.	72/-
Working expenses and renewals.	144/-
Total.	396/-

The guarantee is proposed to be met by (1) street lighting charges
and (2) private house installation charges by private consumers.
The street lighting charges amounting to Rs 333/- per annum have to
be met purely out of the panchayet fund. As it is ~~possible~~ impossible
to meet this recurring expenditure out of the present resources of
the panchayet, it is proposed to levy an optional tax under Section
37 of the Village Panchayet Regulation for meeting the lighting
charges. The optional tax is proposed to be levied on the basis
of valuation of houses, compiled for the purposes of House Tax
revision during the last year, according to a sliding scale as noted

<u>Building value.</u>	<u>Rate per annum.</u>

5. 200/- to 400/-	1-4-0

7. 800/- to 1000/-	2-0-0	
8. Exceeding Rs 1000/-	2-4-0	

in the margin. The proposal
was duly notified by the
panchayet on 8-1-1932 and
objections, if any, called
for. In their resolution
passed in their meeting held
on 18-2-1932 for the purpose
of considering any objections received in the matter, the Panchayet
state that the three persons who had submitted objection petitions
have since withdrawn after explaining to them the financial obliga-
tions of the panchayet due to electrification, and that the proposal
for the levy of the optional tax may be sanctioned. As the
necessary formalities have been observed and as additional taxation
is necessary to meet this additional expenditure, I request you to

be so good as to obtain approval of Government for the proposal at an early date. " In anticipation of approval *la 9* have intimated the Superintendent, Power and Lighting, Bangalore, that the panchayet is capable of meeting the liability under the guarantee. The resolution of the panchayet approving of the proposal for taxation and the original notification publishing the proposal in the village are herein enclosed for kind reference.
